

Ayla Fully Upholstered

Product Code: **AYMF360U**

Lead Time Guide: 4 - 6 weeks

OVERVIEW

A beautiful design with continuous free flowing curves, Ayla is as versatile as it is elegant with a great range of unlimited upholstery options to choose from and a collection of bases including timber or steel four leg, steel sled, and aluminium swivel on castors.

The Ayla fully upholstered is a combination of super comfortable seating experience and elegant design that will suit any space.

New for 2024! Sophisticated black timber legs as a base option to match any customised fabric choice.

But that's not all! We've also introduced a black sled base to the chair range and have revamped the underseat components to a sleek black finish, elevating the entire look of the range while perfectly complementing the existing shell options.

Whether it's for breakout spaces, kitchens, or meeting rooms, the Ayla chairs and stools have consistently been a top choice. And now, with these exciting updates, we're expanding the possibilities even further for your projects.
