

Ayla with Seat Pad

Product Code: **AYMF360PU**

Lead Time Guide: 2 - 4 weeks

OVERVIEW

A beautiful design with continuous free flowing curves, Ayla is as versatile as it is elegant with a great range of six pastel shell colours to choose from and a collection of bases including timber or steel four leg, steel sled, and aluminium swivel on castors.

Ayla is easy to clean, with smooth surfaces that are specially designed to inhibit the build-up of any unwanted grime or germs. The one piece seat shell flexes gently for added comfort and an optional fixed seat pad can be upholstered in your specified fabric or leather.

New for 2024! A sleek black PP shell with the addition of sophisticated black timber legs as a base option.

But that's not all! We've also introduced a black sled base to the chair range and have revamped the underseat components to a sleek black finish, elevating the entire look of the range while perfectly complementing the existing shell options.

Whether it's for breakout spaces, kitchens, or meeting rooms, the Ayla chairs and stools have consistently been a top choice. And now, with these exciting updates, we're expanding the possibilities even further for your projects.
